

RoHS 3 and REACH Compliance Declaration

MUELLES CROM declare and certify that all components are manufactured in accordance to RoHS3 Directive and complies with the Restrictions of Hazardous Substances in Electrical and Electronic Equipment given by the European Directives (2015/863 and Directives 2002/95/EC, 2011/65/EU).

MUELLES CROM does not use any of the Restricted Substances specified by the RoHS Directives as components in our products, nor are employed during our manufacturing process.

Hereby, **MUELLES CROM** also declares and certifies that our products complies with the European Regulation on Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH legislation 1907/2006/EC) and confirm that our products do not contain any Substance of Very High Concern (SVHC) in concentrations above 0.1% weight as listed by the European Chemicals Agency (ECHA).

In order to comply with these directives, we have informed our suppliers of their obligation to comply with these regulations and have verified the absence of substances restricted by these directives against the material's chemical composition certificates, ensuring compliance.
